ATC Announces Daylight-Saving Time Policy

Indianapolis, Ind. (March 3rd) – The Indiana Alcohol and Tobacco Commission announced today that it will allow alcoholic beverage sales on Sunday, March 9, 2014, to continue until 4:00 a.m.

Because daylight-saving time changes clocks to 3:00 a.m. at 2:00 a.m., without the additional hour, alcoholic beverage sales would need to cease at that time. To allow the same number of hours of service on Saturday night, the ATC is again allowing sales of alcoholic beverages to occur until 4:00 a.m.

Daylight-saving time is currently practiced in 76 countries and affects more than 1.6 billion people worldwide.
